Fri 31st May - Saltaire

Visit Saltaire, with its spectacular architecture & independent shops & restaurants. See one of the largest collections of David Hockney artwork at the Salts Mill and ride on the Shipley Glen Tramway. Or walk across the glorious countryside taking in beautiful Yorkshire Dales.

Wed 7th August - Southport

Fancy a trip to the seaside? Build a sandcastle on the beach or blow the cobwebs away with a walk down to the end of the Pier where you can tuck into fish n' chips! Enjoy all the fun of the fair at Southport Pleasureland or if the weather is a little gloomy head over to Splash World where you can ride the fast flumes! Perhaps a tranquil ride in a pedalo on Marine Lake, or a stroll around the Kings Gardens are more your thing? There is lots to see and do in Southport!

Wed 21st August - Lake Windermere

Take in the breath-taking scenery of the Lake District with a boat trip on Lake Windermere, or visit The World of Beatrix Potter. Enjoy the shops, or grab a cuppa in one of the quirky little cafes!
